The definition of personal elegance, the 1846 is one of our most warm and welcoming floor plans. We love the newly-expanded open concept kitchen, living room, and breakfast area, and how you can choose between having a study, dining room, or 4th bedroom. The primary bedroom is incredibly spacious, with a large walk-in closet, private shower, and garden tub. With more options to personalize through our gorgeous interior and exterior selections, you'll never feel more at home.

Additional options included: A study, stainless steel appliances, a head knocker cabinet in the primary and secondary bathrooms, a decorative tile backsplash, an upgraded front door, integral miniblinds in the rear door, additional LED recessed lighting, pendant lighting in the kitchen, under cabinet lighting, and a single basin kitchen sink
