This charming 3 bedroom, 2 bath home is spacious with a versatile design! Featuring a foyer and galley way entrance, this home feels elegant and special immediately upon your entrance. Some of our favorite things about this floor plan are its large master bedroom, which includes a massive closet, and enough space for a sitting area in front of the window beaming with natural light. This home is great for entertaining, with so much counter space and its separate formal dining room that flows seamlessly into the kitchen.

Additional options included: Painted flat panel doors throughout, 42" painted kitchen cabinets, dual master vanity, decorative tile backsplash, and stainless steel appliances
