The definition of personal elegance, the 1846 is one of our most warm and welcoming floor plans. We love the newly-expanded open concept kitchen, living room, and breakfast area, and how you can choose between having a study, dining room, or 4th bedroom. The primary bedroom is incredibly spacious, with a large walk-in closet, private shower, and garden tub. With more options to personalize through our gorgeous interior and exterior selections, you'll never feel more at home.

Additional options included: A converted bedroom to Study, an additional cabinet in the secondary bathroom, under cabinet lighting, an upgraded front door, integral miniblinds in the rear door, and upper cabinets above the washer and dryer
