Stylecraft would like to present The Bryson! Part of Stylecraft's Heartland Series, this 3 bed, 2 bath home is charming and inviting. Each home in The Heartland Series is named after a town in Texas and The Bryson is no exception! We were inspired by modern farmhouse and craftsman homes and created this well-thought-out floorplan. With nine-foot ceilings throughout, this open-concept floorplan is spacious. Featuring a walk-in pantry, a dual vanity in the primary, and a granite-topped kitchen island, The Bryson will make you feel right at home.

Additional options included: An additional cabinet in both bathrooms, stainless steel appliances, additional LED recessed lighting, a decorative tile backsplash, and integral miniblinds in the rear door
